I received in my mail box yesterday, your communique of September 2, 1992.

My members, which are indians and non indians residents of Kanesatake, are not convinced on your proposals.

Futhermore you are concluding your communique in mentioning that: "The Band Council Office is available to you at any time if you wish to discuss matters of concern". Should I emphasized the fact that you are not helping your case since you never returned my numerous phone calls nor reply to my fax of August 27/92.

Very truly yours
